

# ROOSEVELT IS LANDSLIDE VICTOR

Armistice Day apart from its mandate to the heart of mankind also imposes one on the pocketbook to see to it that no more wars occur. For it is a fact generally recognized that costly without comparison as is the loss of life and health and sufferings that are a part of war, there follows in its wake a series of economic disturbances and discomforts and losses with which the immediately present generation is battling.

Any Armistice Day observance or meditation that forgets the sacrifices and services of the men of arms is a niggardly observance, but after that is done, there is still room for the dedication of self and service to the plan of averting future wars.

This Armistice Day marks the eighteenth anniversary of a jubilant, almost hysterical occasion. It was worth something to have lived thru it as a noncombatant. How much more thrilling it was for the men in the fighting lines only they can tell.

During the eighteen years that have passed since then, amazing things have happened. The great tragedy is that the world is filling up with rumors of "another war." The thing is almost inconceivable, but the rumors persist. More money is being spent on armaments today than before. Obviously there are fostering international troubles. Braggarts are conspicuous.

In the light of the day's memories of suffering and anguish these things are difficult to believe. Apart from that they are challenges to the peace-loving men and women of all lands to pool their efforts in a mighty movement to suppress war, to preserve the peace and to make the last of all Armistice Days the one we observe on November 11.

The fighting spirit of the male animal, according to a noted scientific observer, keeps the world in a turmoil. These and similar conclusions were presented to a recent meeting of the American Society of Naturalists. It was stated that among all back-boned animals, including men, apes, dogs, etc., the fighting spirit of the male is a very disturbing element.

But in groups of insects ruled by the females, there is a smooth and peaceful form of activity. It was added, that if the female elements managed human society, life would be comfortable, but dull and unprogressive.

The non-scientific observer would probably agree that men are much more inclined toward fighting than women. Somehow the women seem to have the sense to see that fighting does not accomplish results. Yet women apparently have as bitter passions and as strong dislikes and hates as men. It is frequently remarked, in regard to bitterness left behind by wars, that women cherish such harsh feelings even more than men.

As to the idea that a society led by women would be dull and unprogressive, many will still doubt the theory.

The old ideas that the men should do the governing, and that the women should stay at home and keep house and look after the children is thoroughly discredited now. Not many people would care to go back to that idea.

It was once in the old calendar the ninth month, hence the name, November, from novem or nine. Now it's the eleventh month and the threshold of winter, though in the seasonal schedule it is the second month of autumn.

November is a gray month, a melancholy month but we like it all the same. Sad as the parting of summer may be, November is welcome nevertheless because it marks the definite divorce from summer things, the end of the half-way measures of October. November is here and we know that winter is here, and we may sit in front of the fire and enjoy it.

November has Thanksgiving, and who could ask more than that? It has

"Happy Days are Here Again"

PRESIDENT ROOSEVELT

VICE PRESIDENT GARNER

Based upon latest available figures President Roosevelt had amassed a total of 523 electoral votes while Governor Landon had received only 8. Late Wednesday it was regarded as certain the victory would be the greatest in history. There was little indication Governor Landon would carry more than two states.

## NIGHT DEPOSITS AT CITIZENS NAT. BANK

A night deposit service at the Citizens National Bank, an advanced banking accommodation to business men, was announced this week by Phillip Reid, Cashier of the Bank.

This deposit service is new in the country and its establishment is in line with the progressive policy of Citizens National Bank.

The service will eliminate burglaries and it will no longer be necessary for merchants to leave funds in their safe accumulated after banking hours. The bank will furnish the merchant with a bag or sack in which funds are locked. This sack is carried to the south wall of the bank where a deposit door has been installed.

### Special Vault

When the bag containing money is deposited through the door it drops into a special retaining vault where the bank clerks assort and deposit the funds in the bank the following morning. However, this service may

## DEDICATION OF NEW BUILDING NOV. 17TH

Special dedication ceremonies have been arranged for November 17th at 7:45 p. m. in the new physical education building.

The ceremonies will dedicate the building and serve as open house to the public to visit and inspect the new plant.

Judge Graham Gillis will deliver the principal address. On the stage will be members of the city council, school board and a few invited guests. Mr. Martin, president of the board will be master of ceremonies.

The program will be opened with band music by the Yoe High School Band. After the program members of the Athletic Council will escort visitors through the building.

the Saturday thrill of the big football games at their best, and where can one do better than that? It has the bustle and rush of activity that is impossible in the warmer months, and the first faint tingle of that pervading Christmas spirit.

At all events, November is here and it brings with it the reflection that the old year is on its last legs, five-sixths of it gone, and the remaining one-sixth sure to rush by like a streamlined train. Yesterday we thought that we were still in that period of glorious autumn; now we are reminded that there are only 40-odd shopping days till Christmas.

## CITY OF CAMERON IN DEMOCRATIC COLUMN

The city of Cameron gave Roosevelt 437 votes in the final tabulations released Wednesday by Frank S. Levisky, election judge.

Polling a light vote due to weather conditions the box was almost without precedent in its low total of votes. There were 557 voters registered. Only votes for Democratic and Republican candidates were cast.

Votes on the amendments in the city were close, but all carried. The proposal to put the state in the liquor business lost by the largest margin. The vote on the amendments were as follows: Liquor: for 191, against 229; Teacher fund: for 226, against 207; Workmen's Compensation: for 240, against 173; Salaries: for 304, against 125; Limiting Representatives: for 296, against 118.

### TO DETROIT

H. H. Stedman left Cameron Wednesday night for Detroit, joining a special train of Ford dealers to visit the factory. He expects to return to Cameron within the next week.

## MILAM COUNTY GIVES ROOSEVELT BIG VOTE

Milam county was almost solid in Democratic votes, it was disclosed in returns from 24 precincts. Governor Landon received 96 votes while President Roosevelt had polled 1427.

Judge Jeff T. Kemp estimated that President Roosevelt would get 4000 and Landon 175 in the county. The poll was light due to weather conditions.

A driving north wind and rain kept hundreds from the polls in the county.

All amendments carried in the county with the exception of the proposal to place the state in control of the liquor business.

## DOC APPLE PRIZES ARE ANNOUNCED HERE

First prize in the "Doc Apple Window Display Contest," sponsored by the Herald during National Apple Week, was won by the Piggly Wiggly Store in Cameron, under the management of W. T. Whatley. Second prize was won by the B. F. Stewart Grocery.

The Pacific Northwest Fruits, Inc., producers of the Big Y, Skookum, and Diamond Apples, offered a fifteen dollar first prize and a ten dollar second prize for the best and second best window display built around their apples.

National apple week began October 31 and will continue through November 7.

## HILL TRIAL POSTPONED

Baby Hill, charged with murder and under a 99 year sentence by conviction in District court here for the slaying of George Richards, night marshal, in September 1935, obtained a postponement of his trial in Travis County Tuesday when the judge granted a defense motion and fixed the date for trial February 8, 1937.

Criminal District Attorney Emory B. Camp was in Austin ready for trial Monday. The case was continued on evidence given by physicians that Mrs. Hill is ill in a Temple hospital and that a brother of the defendant, Erskine Hill, is unable to attend the trial.

Hill was convicted here in December, 1935 and given 99 years in prison. The case was reversed on misconduct by the jury. The state sought the death penalty.

## REPUBLICAN LOSS IS WORST SINCE 1820

### ELECTION BULLETIN

At 2 p. m. Wednesday President Roosevelt had won a definite majority in all American States except Maine and Vermont and his total electoral vote was 523 and that of Governor Landon 8. It was the most severe defeat for the Republicans since 1820 when James Monroe was elected President with only one electoral vote against him.

Franklin D. Roosevelt was re-elected President of the United States by a majority unprecedented in the Nation Tuesday when forty-five million Americans cast ballots that indorsed his administration and the New Deal.

At 3 a. m. Wednesday vote tabulations from 48 states showed that the President had won a total of 523 electoral votes while Governor Landon, the Republican candidate, was certain of only 8. The Democrats had captured every American state with the exception of two states Maine and Vermont. This significant tabulation was believed to indicate substantially the final result of the campaign, one of the most bitter ever waged in a national election.

Kansas, the home state of Mr. Landon was safely in the Democratic column. President Roosevelt in the record success of the party had carried the pivotal states of New York, Pennsylvania, Ohio, Illinois, Iowa and Indiana. The state of California that saved Wilson in 1916 came through as predicted and gave Roosevelt a landslide vote.

### Garner Votes No. 13

John N. Garner of Texas, the Vice President, was sharing with the president, the thrill of victory. He voted early in Uvalde Tuesday, casting No. 13, then hurried home to see that his chickens were properly housed against a Texas norther that was sweeping through the mountains.

President Roosevelt, wearing a gold watch chain once owned by Andrew Jackson, voted at his Hyde Park

home in New York and calmly waited results of the nation wide poll. In 1932 Mr. Garner voted and went fishing.

### Texas Banner State

Texas with an 8 to 1 majority for Roosevelt was said to be the banner state of the Union in its contribution to the Democratic victory.

Chairman John Hamilton of the Republican National Committee, in a special broadcast at 11 p. m. eastern standard time Tuesday, told the Republican voters to go to bed with the assurance that the morrow would tell a different story from the millions of Democratic ballots that were smothering the G. O. P. hopes at that hour. He remained the greatest optimist of them all. Chairman Jim Farley of the Democrats, said the Roosevelt victory would be the greatest majority ever given an American President.

### New Order

The Roosevelt campaign was based upon the record of his administration and the New Deal in government strongly trending to social legislation, a challenge to entrenched wealth. The Republican effort was a call to conservative policies and back to the old standards of government. The result of the election definitely proclaims a new social and economic life in America.

## STEAMBOAT MARKER CERMONY SUNDAY

Interest in the steamboat landing celebration is at high tide and letters are being received from descendants of pioneer residents of Milam county, promising to be present.

The children and grandchildren of Colonel W. W. Oxsheer, who was the first clerk of the District Court of Milam County, Texas, and in the office at the time the steamboat Washington came up Little River and was present at the landing, are much interested. His daughter, Mrs. H. F. Smith, and her family, will take part in the celebration; the S. M. Burns'es, George and Mrs. Pearl Green Clement, descendants of Colonel George Green, a San Jacinto veteran and long a beloved resident of Milam county, will be at the celebration; Mrs. Clement's grandmother, wife of Col. Green was at the landing and participated in the big dance on the boat, and made the return voyage down the river landing at the Chance home on the Brazos. The numerous descendants of the Wilson family residing in different parts of the state, and particularly in Cameron, will take part in the exercises, and members of the

## NEW CHEVROLET WILL BE HERE SATURDAY

R. G. Grabein of the Grabein Chevrolet Company, said Wednesday the new Chevrolet for 1937 will be on display in the show rooms of his plant Saturday November 7.

In this issue of the Herald will be found the first photo of the new car to be published in Cameron. Many changes have been made in the body design of the car. Chevrolet led the nation in sales in 1936.

## COLEMAN FURNITURE CO. SELLING OUT STOCK HERE

The most significant development of the week in Cameron merchandising was the announcement of the Coleman Furniture Company opening on Saturday November 7th a sweeping stock reduction and clean out sale in the big furniture store.

Thousands of buyers in the trade territory have received, or will receive special advertising bills telling of the advantages to be had in this unprecedented sale of furniture.

The White Sales Company of Waco is in charge of this sale which is designed to clear out the merchandise. The sale was destined to make history in Cameron.

### Sensational Sale

Not since the old times have such low prices been made on furniture. It was regarded as nothing short of Sensational, and although the store has a large stock, those who wish to buy at these sacrifice prices, were urged to attend the opening day. With such low prices the selection advantage would decline within a short time.

### Below Cost

Prices far below cost on many items are quoted and in no case is there a quotation that does not represent savings of from ten to 33 per cent and over. Many items are being closed out altogether and for this reason prices are the lowest in modern merchandising history.

Visitors to Cameron Saturday will have the added advantage of attending the great sale at the Coleman Furniture Company.

### MISS NEWTON IMPROVING

Friends here will be glad to know that Miss Nancy Newton who was operated on last week here by her father, Dr. W. R. Newton for appendicitis, is improving rapidly and will soon be able to return to school at C. I. A.

## Personal Mention

Bill Burns was a business visitor in Austin the first of the week.

Miss Mary Frances Blaylock of Austin joined her mother, Mrs. L. L. Blaylock and Miss Helen Blaylock for a trip to Dallas Sunday. At Waco they were joined by Leonard Blaylock, a student of Baylor. They were met in Dallas by Miss Dorothy Blaylock of Gladewater and L. L. Blaylock.

Mr. James Coleman and son, Jimmie were Waco visitors Tuesday.

Dr. E. A. Kruse and family spent Sunday in Dallas attending the Centennial.

Mr. and Mrs. Johnston Crawford attended the Centennial in Dallas over the week end.

Jack Hearrell and family of Gladewater spent the week end in Cameron with Mrs. Lola Hearrell and Mrs. Beulah Collier.

Mr. and Mrs. G. A. McDermott spent several days in Dallas visiting the Centennial.

Miss Helen Green of Port Arthur spent the week end with her mother, Mrs. C. N. Green.

Miss Emma Pearl Clement is spending the week end in Thorndale visiting her parents.

Mrs. Sam Brewer, Mrs. Ethel Brewer and Mrs. Casey Slocumb visited in Waco Saturday.

Mr. and Mrs. Carl Black spent the week end in San Antonio visiting his mother, Mrs. A. A. Black.

## YOEMEN AND TIGERS TO PLAY IN ROCKDALE

The annual gridiron classic between Cameron and Rockdale will be played on the Tiger field in Rockdale on Friday night.

Rumors that the game would be played in Cameron were set at rest Tuesday when superintendent Miles at Rockdale told E. A. Perrin the game would be played in Rockdale as usual.

Lack of gate receipts in Rockdale at the last game there indicated to the athletic council in Rockdale that the game might pay better in Cameron. In that way the story was circulated the game would be played in Cameron.

Fans here are making preparations to go to Rockdale for the annual game as usual.

Mr. and Mrs. Billie Marek attended the Centennial in Dallas Sunday.

Mrs. Lola Hearrell visited in Austin the past week.

## Expert Offers Hint for Soothing Snakes

Dallas, Texas. — Best method of winning a rattlesnake's friendship—if his friendship is desired—is to treat him gently and even scratch the back of his neck, Jack Raymon, Chicago herpetologist, advises.

There is nothing that annoys a rattler more than quick movements, the reptile authority said. By easy, gentle handling the snake can be made into a friend in three or four weeks.

As for the nonpoisonous snakes, they are companionable creatures, he said, and writhe contentedly in the hands of a handler after 30 minutes.

## NARCOTIC DRIVE IS STARTED BY T-MEN

**Custom Agency Men Will Be Reorganized.**

Washington. — The Treasury department, flush with its success against rum smugglers, has now opened a drive against narcotic smugglers. To this end, Secretary of the Treasury Henry Morgenthau announced that customs border patrols would be reorganized into one centrally headed unit.

The custom agency service, numbering 570 men, will be divided into four districts encompassing the nation's land and water boundaries. District chiefs will be placed under the immediate supervision of Harvey A. Benner, deputy commissioner of customs. Benner's offices are in Washington. In the past the border patrols have been under the jurisdiction of the various customs collectors in a large number of districts.

"We are going to hit narcotics smuggling as hard as we hit liquor smuggling," said Mr. Morgenthau, "particularly on the Pacific coast where it is most prevalent."

The new patrol will be divided into the following districts:

Northeast patrol, headquarters, Buffalo, N. Y., to include the present customs collection districts of Michigan, Ohio, Buffalo, Rochester, St. Lawrence, Vermont, Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, Philadelphia, Maryland and Virginia.

Southeast patrol, headquarters, Jacksonville, Fla., to take in the present districts of North Carolina, South Carolina, Georgia, Florida, Mobile and New Orleans.

Southwest patrol, headquarters, El Paso, Texas, to take in the districts of Sabine, Galveston, San Antonio, El Paso, Arizona, San Diego, Los Angeles, and San Francisco.

Northwest patrol headquarters, Havre, Mont., to include the districts of Oregon, Washington, Montana, Idaho, North Dakota, Duluth, Superior and Wisconsin.

## Boys Menaced by Sharks; Capture One as Proof

Frisco, N. C.—Two thirteen-year-old boys related a tale of how they battled a school of maddened sharks from a rowboat, bagged one, escaped, and displayed the big fish to prove their story.

The boys, James Mitchell-Hedges, son of F. A. Mitchell-Hedges, an explorer and big game fisherman, and Raymond McHenry, set out in the shallow waters of Pamlico sound off Hatters island towing a rowboat. They waded out to a net they had set about 100 yards off shore.

One boy spied a triangular fin cutting through the water toward them. They hopped into the boat. They said the fish smashed the bow of the boat and tore the beading off the sides.

The shark left but soon came back with ten others which swam around the boat. One shark finally became enmeshed in the net. The boys rowed for shore, towing the imprisoned shark. It measured 11 feet and weighed approximately 700 pounds.

## Tipsy Chipmunk Chases Fox Squirrel Up Tree

Spokane, Wash.—Deputies raiding a moonshine still on Mount Spokane found a colony of chipmunks quaffing of the dumped mash, chattering, and chattering merrily. The officers were amazed, however, when one chipmunk broke from the party suddenly and chased a fox squirrel up a tree.

## Pig Gets Jail Home

Steubenville, Ohio.—Sergt. Mat Phillips, keeper of the jail here, had a pig for an inmate. The 540-pound porker toppled from a livestock truck, and the only place the police sergeant had to keep the animal, until someone came to claim it, was in a cell.

## Pheasant Hitches Ride

Farmington, Conn.—Now comes the hitch-hiking pheasant. This bird hopped into George Shaw's automobile on New Park avenue and rode blithely to the next stop, much to the amusement of the family dog who had a reserved seat in front.

## MICHALKA-ULICINIK

Miss Adella Michalka of Cameron and Mr. Frank Ulicinik of Rosebud were united in marriage on Tuesday morning at St. Monica's church in this city. Rev. Geo. Apel, pastor, officiated in the double ring ceremony.

At the strains of the wedding music, rendered by Mrs. Frank Hanel of Hoyte, the bride led by the best man, took her place at the altar, followed by the groom and maid of honor and attendants. The bride wore a frock of white chiffon velvet. Her veil was net with a pearl-beaded tiara cap with orange blossoms. She carried a bouquet of white carnations.

The maid of honor, Miss Gertrude Jistel, who wore a frock of royal blue crepe. She was attended by the best man, John Dohnalik of Marak. The bride maid, Miss Agnes Dohnalik, who wore a frock of medium green, crepe was attended by the groom's brother, Anton Ulicinik of Rosebud.

A dinner was served at the home of the bride's uncle, Mr. Fred Jistel. After the dinner, the bride and groom left for a honeymoon.

The bride is a graduate of Yoe High school and the groom is a prominent farmer of the Rosebud community.

## WEDNESDAY BRIDGE CLUB

Mrs. B. F. Bonds was hostess to members of the Wednesday Bridge Club for the week, entertaining with four tables of players, featuring Coca-Cola, ushering in the new feature put on by the Cameron Coca-Cola plant of giving a carton of Coca-Cola to any player at any time holding a no honor hand.

Score cards were red pencil

sharpeners in shape of a bottle of "coke" and score pads from the Coca-Cola plant.

At the conclusion of the game a carton of Coca-Cola was given for low cut at each table. These were won by Mrs. R. D. Brown, Mrs. J. B. White, Mrs. R. B. Stedman and Miss Aetna Smith.

Mrs. R. D. Brown won high cut for club members and was presented a box of Richard Hudnut dusting powder; Mrs. W. E. Gaither was presented a box for guest high cut.

Guests of the club were Mesdames W. E. Gaither, Ed Taylor, H. F. Smith, Jr., John Culpepper, Julian Baskin and Miss Aetna Smith; Mrs. J. B. White a tea guest.

The hostess served a salad plate with hot tea and date pudding with hard sauce.

Mrs. Bonds entertained again on Friday afternoon with four tables of bridge featuring the same motif.

Mrs. Bill Baskin, Mrs. John Rosson, Mrs. J. C. Martin and Mrs. John Jeter received cartons of Coca-Cola for low table cuts.

Mrs. Thomas L. Denson and Mrs. John Jeter held high score for the afternoon and received gifts. The hostess served refreshments at the conclusion of the games.

## FRIDAY NIGHT BRIDGE

The Friday Night Bridge Club met with Mr. and Mrs. George William Triggs for the week when they entertained with three tables of bridge. Guests for the evening other than club members were Mr. and Mrs. Chas. Davidson and Mr. and Mrs. Harold Payne.

Score cards, tallies and table cov-

ers featured the approaching Hallowe'en season, with floral decorations throughout the reception suite in keeping with the theme.

At the conclusion of the games Mrs. Penn Wolf was awarded a crystal covered bon-bon dish in Fostoria for high score and for men's high score Mr. Payne received nail clipper.

The hostess, assisted by Mrs. Dero Jenkins, served a salad course with individual cakes featuring Hallowe'en motifs and hot tea.

## THURSDAY AFTERNOON BRIDGE

An outstanding social event was when Mrs. J. M. Bowman entertained Thursday afternoon with four tables of bridge.

Roses were used for floral decorations in the reception rooms and in the dining room an array of flowers in pastel shades was most attractive. A large crystal bowl centered the dining table, filled with flowers in the chosen shades.

Mrs. John Rosson held high score for the afternoon and was presented a beautiful pottery vase in aqua blue shade. Mrs. Hamilton Bonnet of San Antonio held second high score and was presented cards.

The hostess served a salad plate with hot tea at the conclusion of the games.

## KASANER-ADLER

A wedding of interest to friends and relatives was solemnized Monday afternoon at 3 o'clock when Miss Annie Kasaner became the bride of Edward Adler.

The wedding took place at the Vogelsang Lutheran church with Rev. R. Kalkbrenner, pastor, performing the ring ceremony.

The groom is the son of Mr. and Mrs. Ed Adler and the bride is the daughter of Mr. and Mrs. Paul Kasaner.

The bride was attractively dressed in a white satin tunic style, with veil of tulle. She also carried a bouquet of roses tied with satin ribbon.

Groomsmen were: Edmund Pimpler and Linard Adler. Bridesmaids were Anita Adler and Lenora Kalfus.

The Lohengrin wedding march was played by Mrs. Charlie Friemel. After the ceremony friends and relatives gathered at the home of the bride's parents for a wedding supper.

The couple will make their home in the Clarkson community.

## HALLOWE'EN PARTY

Mrs. Spurlin Collins entertained a number of friends with a Hallowe'en Card Party Friday night honoring her sister, Miss Louise Reddehase of Brenham, who has been visiting relatives here.

The room was beautifully decorated with jack o' lanterns and candles.

High scores were won by Mrs. W. Vogelsang and Mrs. Charlie Friemel. Low scores were given to Mrs. Albert Dörner and Mrs. Herman Barke-meyer.

Later a plate consisting of sandwiches, cakes and candy and hot cocoa was served to the guests.

## TUESDAY BRIDGE CLUB

The Tuesday Bridge Club had as hostess for the week Mrs. A. H. Baskin, Jr.

An array of fall flowers was used throughout the reception suite for decorations.

After a number of spirited games Mrs. E. A. Coffield was found to hold high score with Mrs. Vernon Roberts next high each receiving attractive trophy rewards.

Guests for the afternoon other than club members were: Mrs. J. M. Bowman and Mrs. Geo. Wm. Triggs.

The hostess, assisted by Mrs. Julian Baskin, served a salad plate with coffee.

## STUDY CLUB

The Study Club met with Mrs. Lester Williams Tuesday morning from 9 to 10:30 o'clock with Mrs. Stanley Swift, president, presiding.

The topic of study "Impersonation and Interpretation" was given by Mrs. George William Triggs.

Answering to roll call were Mesdames Stanley Swift, John Jeter, O. C. Acrey, John B. Henderson, Alvin Mondrik, George William Triggs, George Childress, F. E. Woodruff and Walter Burns.

## DELPHIAN CLUB

Mrs. H. H. Stedman was hostess at a regular meeting of the Delphian Club Tuesday afternoon with fourteen answering to roll call with incorrectly pronounced words.

The book "Gone With the Wind" by Marguerite Mitchell, was received by Mrs. R. L. Batte in a most interesting manner and was thoroughly enjoyed by all.

The hostess, assisted by Mrs. Roy Law, a guest of the club, and Lucille Stedman, served coffee and assorted sweets.

## Big Rats Defy Eviction

by New York Policemen

Elmira, N. Y.—Rats too smart for traps and too big for cats are giving State Trooper J. Edward Maloney a problem well outside his usual duties.

He must determine a means of exterminating several hundred of the rodents. And that without driving any of them from the barn at West Elmira where they have been maintained as pets by a man who, Trooper Maloney said, had been committed to an insane asylum.

Too vigorous a method may drive them into homes of the neighborhood, he fears. More than 100 of the rats have been poisoned or trapped. Now the remainder are wary and will not approach a trap or touch the poisoned grain set out for them.

The rodents apparently are contented and comparatively tame, the trooper said. They are of such a size, weighing two and three pounds each, however, that cats will have nothing to do with them.

Town officials are aiding the puzzled trooper in searching for a solution to the problem.

## Spanish Couples Marry;

Then Join Army Together

Madrid.—The sweetheart he left behind won't bother the young blade going to war in Spain, because the girls are going along.

Two couples appeared before the "Revolutionary Committee," got married and joined the army together, in the same office.

Three other couples planned to wed shortly. A number of other marriages were reported, and quite a few of the blushing brides marched off to battle with the new husbands.

## Chicks Hatch in Tree

Corvallis, Mont.—A White Giant hen on the M. L. Chaffin ranch chose the higher branches of a giant poplar tree for hatching 11 lively chickens. A ladder had to be used to bring the brood to earth.

## Parking for Horses

Eugene, Ore.—The city council here set aside a down-town parking space exclusively for horse drawn vehicles. Police have been ordered to tag cars found parking in the reserved section.

Dumb animals are the ones that don't mix eight conflicting chemicals in their tummies.

The old idea of equality was to make things even; the new idea is to get even.

## Baptist Revival Is Now In Progress

The Baptist Revival which has been in progress for the past week continues to grow in interest, with good crowds attending both morning and evening services.

The choir, under the leadership of Frances Cox with Mrs. Cox at the piano, is much enjoyed.

The evening services feature a special in music, in a quartet or solo at almost every service.

Rev. Culp, who is doing the preaching with Rev. Vernon G. Miles in charge, is bringing some wonderful messages to very enthusiastic audiences.

The meeting will continue through Sunday November 8.

Add a tablespoon of cream to roast beef or lamb gravy. It makes it a delicious brown.

A few bread crumbs added to scrambled eggs improves flavor and makes an extra serving possible.

## New Stadium For The Belton Game

Cameron's new football stadium seating 1100 people, partially complete for the Rosebud game here Friday, has been completed and will be ready for the game with Belton here on Friday November 13.

The seats are constructed on steel stands on the south stretch of the field, are high and command a good view of the field.

The stands were paid for by the federal government under a grant which cost the school board only a few hundred dollars.

# CAMERON LIFE INSURANCE CO.

Accident benefits in our policies are very valuable to the policy holder. The cash payment to policy holder in the event of loss of hand, foot or eye will in most cases pay all hospital bills and leave a balance to tide him over the recuperation.

\$500.00 was paid to John L. McRae, Rockdale, Texas, for accidental loss of his left hand. This amount will not be deducted from the \$1,000.00 policy he has in event of death from any other cause.

Letter below for promptness in paying claim:

Cameron, Texas  
September 30, 1936.

Cameron Life Insurance Company,  
Cameron, Texas.  
Gentlemen:

I wish to thank you for your check in the amount of \$500.00, this day handed to me in full payment for the accidental loss of my left hand. The accident features of your policies, in addition to death benefit, makes them very valuable.

Your immediate, courteous payment of this claim is of much benefit to me and I am very glad indeed to recommend your good company to my friends and acquaintances. Wishing you much success, I am,

Yours very truly,

Signed: JOHN L. McRAE,

Rockdale, Texas, R. No. 2.

## GREEN PASTURES BIG 1936 FILM NOVEMBER 13 AND 14 CAMERON

Refreshingly different from the ordinary run of motion pictures is the Warner Bros. mammoth film, "The Green Pastures," coming to the Cameron Theatre Tuesday and Wednesday November 17 and 18.

As a stage play, this creation of Marc Connelly's ran for more than five years. It was presented in 203 cities and towns, and as a motion picture will probably reach more than one hundred times that many theatres. It is predicted by the author that it will be even more successful as a picture than it was as a stage show.

Marc Connelly himself directed the picture (his first job of the sort, though he directed many a stage play) with the aid of William Keighley, one of the Warner Bros. actors. "The Green Pastures" was made on the same vast scale as "Midsummer Night's Dream," and "Captain Blood," with a multitude of players and seas of immense area.

There are 111 speaking parts in the screen version, besides the famous Hall Johnson Choir of 60 voices and hundreds as extras. In all there are 120 scenic settings, some of them of gigantic proportions. One of these is the famous "fish fry" in which 600 characters attend a picnic in a sunlit glade. There is a Southern community, with a full size church, gambling halls and night clubs.

Scenes of spectacular beauty are shown, including barbaric revels set in ancient Babylon in one of which four score of shapely dancers entertain the guests.

The story is based on a book by Roark Bradford. It is highly humorous, yet tenderly reverent, and outlines the folklore, fold music and traditional beliefs and practices of primitive dwellers in the Deep South of the United States.

## WOMAN USES COAL BIN AS SWEATSHOP FOR GIRL WORKERS

Six Are Found at Work in Dark Cellar; Plan to Prosecute Owner.

Newark, N. J.—State Labor Commissioner John J. Toohey, Jr., announced that he planned to make an example of Mrs. Antonetta Rinaldi, fifty, who conducted a sweatshop in the dark, cramped basement of her home, employing young girls to sew neckties for a New York manufacturer.

"I have been campaigning for two years," he said, "for a sweatshop law similar to the one which is enforced in New York, where a license fee of \$200 is charged for such contracting shops.

"The New York contractors advertise in foreign language newspapers and smuggle their work into Jersey at night to get it done at starvation wages."

Although Mrs. Rinaldi protested she did not know she was doing anything wrong, Mr. Toohey said he would confer with Prosecutor William Wachenfeld and ask that an indictment be sought against her under New Jersey's so-called sweatshop law.

"I was only trying to make an honest living for my family," Mrs. Rinaldi told inspectors who raided her home at 200 Thirteenth avenue. "I thought this was better than going on relief."

In the shallow six-foot cellar the inspectors found six girls at work. They were crowded into a narrow seven-by-twelve foot space which formerly had been used as a coal bin, along with two sewing machines and two electric ironers.

### One Girl Her Own.

The young workers included one of Mrs. Rinaldi's three children. One girl gave her age as thirteen and the others said they were sixteen. Three were negroes.

Mrs. Rinaldi said she started the shop because her husband, a part-time employee of the Public Service corporation, was unable to make a sufficient living. She netted about \$13 a week, she said, and paid the girls "a few dollars" for their work. "They weren't worth any more; they were always falling asleep," she told Mr. Toohey.

Mr. Toohey suggested that perhaps they fell asleep because ventilation in the basement was limited to two tiny windows opening on the sidewalk level. He entered charges of violating the sweatshop law, employing minors, operating a factory without a license, and having no insurance on employees. Mrs. Rinaldi said she never heard of such regulations.

## Four Tahitians Marooned for Weeks on Desert Isle

Papeete, Tahiti.—From the tiny Bellinghausen Isles comes a tale of rescued castaways, which proves there still exist islands in the South Pacific where one can be marooned for weeks. The Bellinghausen group of atolls and reefs, west of the Society Islands, is uninhabited and is visited only at rare intervals by persons gathering fallen coconuts.

Passing there recently the lookout of the steamship Port Darwin observed a man signaling for aid. Heavy seas and the dangerous tangle of reeds prevented sending a boat ashore, but the Port Darwin wirelessed the British consul at Papeete. After several weeks the schooner Denys, dropping anchor off Bellinghausen, found four Tahitian young men. They told this story:

They had been employed on the coconut plantation at Mopha, an atoll seventy miles away. They said they were beaten and starved and determined to escape to Raiatea, another island. They put to sea in a small boat, but lost their bearings. After five days their boat was cast on a reef of Bellinghausen and broken up by the heavy surf. A fifth man drowned. Until rescued they lived on coconuts and shell fish.

## Two Hungarians Fight Duel Lasting an Hour

Budapest.—The longest duel in the world was fought here recently by two society youngsters: Frederick Steuhmer, son of the Hungarian "candy king" and Geza Kiss, a civil servant.

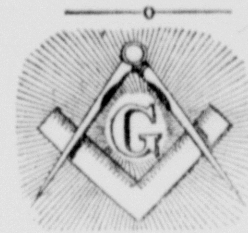

The duel developed from a private quarrel and took place at a fencing club. It lasted an hour without interruption. The two young men lunged at each other in nineteen rounds. In the end both were so exhausted that they were unable to raise their swords and the seconds declared the duel ended. They parted friends. Both were injured on the head and chest.

Doeskin and chamios gloves become stiff and harsh unless washed in tepid suds and rinsed in slightly soapy water.

## ONE-BOY NEWSPAPER

With 85 paid subscribers and enough advertising to keep his sheet "out of the red," Edwin L. Heminger, nine-year-old editor and publisher, is shown at the small handpress with which he puts out his "Glendale Times." Young Heminger, whose father is editor of the Findlay (Ohio) Republican-Courier, and whose grandfather, I. N. Heminger, has been a Findlay publisher since 1890, put out his first paper on a typewriter a year ago. So impressed was his grandfather with the lad's efforts that he bought him some type and the press. Now Edwin gathers his own news, solicits his own advertising, writes and edits copy.

Performance, Beauty and Safety Mark Chevrolet's Completely New Cars

Chevrolet's 1937 engine is completely new, but adheres closely to time-proved Chevrolet engineering principles. It is of six-cylinder valve-in-head type, smoother, more powerful, more economical, and lighter.

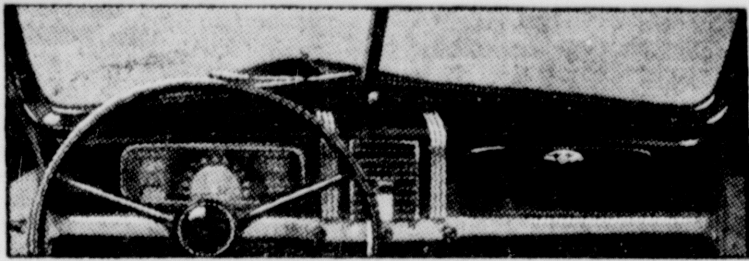

A representative model from Chevrolet's new line, typifying its beauty and grace—the Master De Luxe Sport Sedan with trunk. Note the distinctive "speed line" extending back from the side of the hood.

Unisteel construction joins the floor, cowl assembly, panels, and Turret Top of Chevrolet's all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

New power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Knee-Action is furnished at no extra cost on the Master De Luxe models; and new Synchro-Mesh transmission, and safety plate glass all around at no extra cost, feature all models of both series.

FARM CLUB NEWS

Ruth Jennings and Opal Loftin have entered the College Scholarship and Washington Trip Contest for 4-H Club girls. Each year the first place winner of this contest receives a \$300.00 college scholarship which may be used in any state college. The second and third place winners receive free trips to Washington, D. C. to the National 4-H Club encampment. To enter this contest a girl must be a member of a regularly organized girls 4-H club working under the direction of a county home demonstration agent and must have at least three years of 4-H club work under the county home demonstration agent's direction. Each contestant sends to the state home demonstration agent an exhibit of her 4-H club products and a complete history and record for each year of her club work, including a total financial summary of the 3 or more years work.

At a recent Sponsors' Committee meeting the plans were discussed for the girls 4-H Club program.

The chief goal to be accomplished this year is an orchard started at every club girl's home, since all the land in Milam county is well enough suited to fruit trees to make producing fruit for home use more profitable. The girls shall be dealing chiefly with the peach and plum section of the orchard. In order to have an adequate quantity of these fruits for use fresh and for preservation, plans are to plant 3 peach and one plum tree for every member in the family.

Being better dressed for less money shall also be stressed. In order to accomplish this goal the girls will learn to plan and make their own clothing, to repair garments, and principles of storing their clothing. It is hoped that every club girl will have her clothes closet equipped at the end of the year.

Aside from these productive phases of the work, there will be one program each month designed to help develop the girls socially. The programs will be on such topics as "Manners Make the Girl," "Picnic Season Opens," "Fun at Home," etc. The sponsors have decided that girls who are 100 per cent in completing their goals for the year shall be awarded a 4-H pin for their accomplishments.

## DILLINGER HAUNTS STILL ATTRACT BIG CROWDS OF CURIOUS

## Bandit's Father Is Now "Curator" of Relics of Gangster.

Mooreville, Ind.—Although two years have passed since John Dillinger's crime career ended, the desperado's name is still worth a few dimes.

It was July 22, 1934, that federal agents finally caught up with the notorious bank robber and gang leader and dropped him in front of the Biograph theatre in Chicago.

But back here in his home town, throughout the Middle West, there's interest enough in his exploits so that those who were intimately associated with him can wrangle from the curious a few cents for a look at some of his mementos, a brief talk concerning his career or a picture postcard of the Dillinger home.

His seventy-two-year-old father, John Dillinger, Sr., has gone to Little Bohemia to become "curator" of the Dillinger museum established by Emil Wanatka, proprietor of the lodge near Mercer, Wis., where the Dillinger gangsters shot themselves out of a federal trap in April, 1934.

## Room Fitted Up.

There Wanatka has fitted up a room filled with pictures and newspaper clippings of the Little Bohemia battle and also the clothing, guns and ammunition left behind by the gangsters. He also has the revolver and bullet-proof vest worn by W. Carter Baum, one of the federal agents shot and killed as the gang fled.

Wanatka told a recent Indiana visitor: "Old man Dillinger was tired of carnival life, so I thought I'd just bring him up here for the remainder of the summer and make him 'curator' of the museum."

The elder Dillinger has been traveling about with carnivals since his son's death, making appearances at "crime exhibits."

At Evansville, Ind., Evelyn Frechette, the gangster's girl friend, is appearing with a carnival company. She was released recently from the federal prison at Milan, Mich., where she served a year for harboring Dillinger. She answers questions of those who enter the "crime exhibit."

At the drug store here tourists can purchase postcards of the Dillinger homestead, a little white farmhouse on the outskirts of the town.

## Survey Shows Accident Toll High on Farms

New York.—Farming ranges first as a hazardous occupation with the fatal accidents averaging 4,400 annually, a survey by the Country Life magazine reveals.

"In a factory," the farm publication says, "where machines are inspected regularly and carefully, accidents are relatively few. In almost every occupation accidents are foreseen and forestalled. But recognizing and eliminating potential accident hazards in farming is far more of a job because of their wide variety and their deceptive commonplaceness."

"There are three major and frequent causes of farm accidents: Poor repair of farm buildings, careless handling of live stock and improper use of farm equipment. And the sad part about all these accidents is that they could easily be prevented."

It is the little things that cause the most tragedy — loose floor boards, broken stair treads, defective stepladders, loose matches, improperly marked poisons, improper use of kerosene and gasoline, not keeping a close eye on the bull in the pasture lot, and so forth, the magazine says.

And then, of course, there's fire, which last year cost farms and rural towns a quarter of a billion dollars.

## Spaniards Revive Gang Custom! Call It "Walk"

Madrid.—The expression "llevar a pasear"—"to take a walk"—has come to have the same sinister connotation in Spain as "taking a ride" in American gangster jargon. No check has been kept on the number to "take a walk," but informed persons believed it has reached several thousand. The slightest suspicion of Fascist leanings is a death warrant in those parts of Spain held by the government.

The largest wholesale execution of Fascists was reported to have taken place recently outside Punte de Ballecas, south of Madrid, with 254 persons slain in one batch.

## Night Worker's Right to Spank Wife Upheld

Sudbury, Ont.—The right of a night worker to spank his wife if breakfast isn't ready when he comes home was upheld by Magistrate J. S. McKessock. The judge dismissed an assault charge which Mrs. Paty Winters had brought against her husband, Edward. Winters testified he came home from the mine where he is employed and found no breakfast ready. His wife came downstairs and prepared it. He followed her back to the bedroom and scored three hits with a flat palm, he said.

## Methodists Attend Centennial Fete

Rev. and Mrs. J. Coy Williams left yesterday, accompanied by Judge and Mrs. Jeff T. Kemp, to attend the Texas Methodists' feature of the state's Centennial celebration—the joint meeting of six conferences which opened yesterday, with Bishop H. A. Boaz of Fort Worth meeting with the cabinets of the three conferences under his jurisdiction.

It was announced that this will possibly be the largest Methodist meeting ever held and some 2,000 ministers and lay delegates and around 3000 visitors will attend.

Due to the absence of Rev. Williams no preaching services will be held at the Methodist Church here on Sunday morning or evening but Sunday School and the Young People's meeting will be held as usual.

A little hot milk added a little at a time while mashing potatoes will make them light and fluffy. Heat but do not boil the milk.

be used by merchants who desire safe keeping of funds they do not wish to place on deposit. All money so deposited in the night deposit bags is insured against all loss to merchants, Mr. Reid said.

## Cost Small

"This service will cost the merchant only about \$1.00 per month," Mr. Reid said, "and it guarantees him against loss by theft and burglary after his store has been closed for the night. Citizens National Bank is glad to announce this advanced banking service to the merchants of Cameron and trade territory. We have just completed installation of the new night deposit vault door accessible through the south wall of the bank and we invite the business men to use it."

Workmen were completing the vault Wednesday and it will be ready for operation at any time thereafter. Mr. Reid or any official of the bank will be glad to explain the details of this new service.

If You Haven't Seen These Two New John Deere General Purpose Tractors . . . . .

We know what you'll say when you see them—just what everybody else says—that John Deere has set an entirely new standard for row-crop tractors with these outstanding new models.

The Model A General Purpose is a two-plow tractor for handling all types of work on the average-sized farm. It is a light-weight tractor with adjustable wheel tread; centered hitch in plowing;

full-view, effortless vision in cultivating; easy, positive steering; platform and seat for standing or sitting, and four forward speeds.

The Model B General Purpose is for the lighter farm jobs. It is a smaller brother of the Model A—pulls a one-bottom plow, a two-row cultivator—the latest addition to the John Deere quality line of money-saving, two-cylinder, distillate-burning tractors.

Come in and see for yourself what remarkable values these new tractors offer you. One of the two sizes will fit your needs.

**Cameron Machine Shop**WM. HENDERSON DIES  
AT HOME IN CAMERON

Funeral services for William Henderson, age 73, were held from the First Baptist Church in Cameron Monday November 2, at 2 o'clock with Rev. Vernon G. Miles conducting the services. Interment was made in Oak Hill cemetery.

William Henderson was the son of J. W. Henderson and Mary Dobbins Henderson, pioneer residents of Milam county. He was born in the country home of his parents six miles north west of Cameron in 1863 and in his early manhood he was married to Miss Della Pool, daughter of the well known Pool family of Jones Prairie.

Mr. Henderson was for a number of years a prominent merchant in Cameron and later a salesman for Mensing Bros. Wholesalers of Galveston. Later he operated a real estate business and continued in this business until the time of his death.

Mr. Henderson was a prominent Baptist layman and for a number of years was a member of the Cameron school board. He has been active in the city's affairs both as a churchman and a civic leader. His death came as a shock to hundreds who had known him intimately for many years.

Mr. Henderson died Sunday morning about 5 o'clock. He is survived by his widow, Mrs. Della Henderson, and five children, Claud Henderson of Brownfield, Mrs. Mary Strickland of Gustine, Frank Henderson of McAllen, Mrs. Clay Watson of Waco and Mrs. C. W. Bradbury of Cameron.

Mr. Henderson devoted his life to the welfare of this community and his memory will remain long in the minds of the fellow pioneers who knew him well.

Honorary pall bearers were: T. S. Henderson, W. H. Triggs, H. H. Stedman, Dow Epley, J. M. Ralston, R. H. McIntosh, F. F. Reid, Penn Wolf, L. L. Blaylock, Arthur Baskin, H. F. Smith, Sr., Gus Evans, Barton Brown, Preston Graves, O. L. Kidd, W. H. Henley, F. J. Beckerman and W. E. Kuehl.

Active pall bearers were: Joe Denison, Roy Law, Walter Newton, John Henderson, Jim Baskin and Clifton Jenness.

Czernovitz, Rumania. — A deaf-mute unable to read or write, recently solved Rumania's most gruesome murder mystery when he was brought before local police for questioning. As a result, two men who have since confessed the parts they played in the slaying, will go on trial for their lives here.

Mina Schuster, a well-known underworld character, was the victim of the crime. Her body was decapitated and dissected by the murderer.

AVIATOR CONVICTED  
BY COURT MARTIAL

Found Guilty in Loss of Important Papers.

Washington, D. C.—Lieut. William A. Moffett, Jr., twenty-six, naval aviator and son of the late Rear Admiral William Moffett, was court martialled and convicted at a secret hearing last May, it was disclosed recently when the decision was approved by Admiral William H. Standley, acting secretary of the navy.

Moffett was found guilty of carelessness in the loss of a confidential service publication. Although he was restored to duty he was sentenced to a loss of fifty numbers, which means, naval officers said, that he was demoted to a rank below fifty officers formerly his junior.

The court martialled officer, whose father was chief of the bureau of aeronautics when he went to his death April 4, 1933, in the crash of the dirigible Akron, is on duty at the naval air station here.

Admiral Standley's announcement did not specify what publication had been lost and Moffett previously had declined to make a statement on the ground that the whole matter was confidential.

It was learned from other sources, however, that the officer drew a document from navy files to aid him in preparing for examinations for promotion. Navy officers said it was customary for officers to be given permission to use confidential files when studying for examinations.

It was said the documents Moffett obtained included confidential publications used in signal work. The missing papers were said to have been placed in Moffett's automobile, from which they disappeared in some manner not known either to authorities or to Moffett.

The court martial held here last spring was conducted with great secrecy. It is customary for several months to elapse before conclusion of the hearing and publication of the board's findings.

New Fighting Plane Has  
Top Speed of 300 M. P. H.

East Hartford, Conn.—Results of successful flight tests here of an all-metal fighting plane in the 300-miles-an-hour class have been made public by United Aircraft corporation.

The single seater, low wing, all metal monoplane is a combination craft developed by the Chance Vought division from original designs by the Northrop corporation. The new plane has been test flown by the material division of the air corps at Wright field, powered with a fourteen cylinder twin Wasp engine of 750 horsepower.

Among features of the design are completely retractable landing gear, wing flaps, and cowl flaps for controlling the engine cooling. The pilot, located far forward, has virtually unlimited vision.

Normal armament includes two .30 caliber machine guns mounted in the fuselage and, if desired, .50 caliber guns can be substituted. For bombing the plane may be equipped with external racks under the wings.

G-Women Planned to  
Help Fight on Crime

Washington.—Possibility that the Department of Justice's G-men may be augmented with a "ladies' auxiliary" was hinted by Chief J. Edgar Hoover of the federal bureau of investigation.

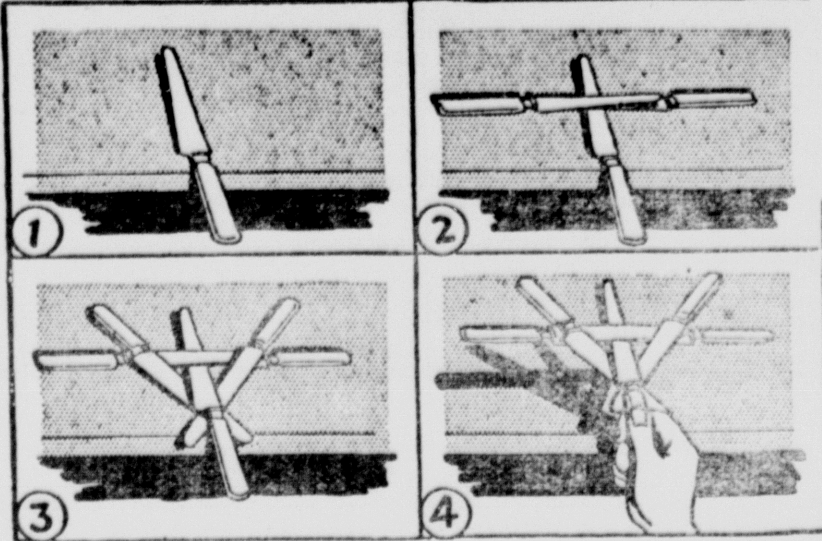

Although convinced that crime detection is still a man's job, Hoover admitted that women eventually might find a place within the organization.

"They cannot, however, be of as much use as men. Every one of our agents can be shifted from one type of case to another at a moment's notice. Women would not lend themselves to sudden shifts as readily."

"There is really nothing a woman can do better than a man in the matter of law enforcement work, although in the future we may employ a few women as a trial."

CZECH DAY AT WACO  
FAIR NOVEMBER 5TH

Thursday, November the 5th, has been designated as Czech Day at the Brazos Valley Free Fair, which opened in Waco on October 29 and runs through November 8th.

It is expected that Czech Day will be one of the biggest days of the Fair, and already, hundreds from all over the state have made known their intention to attend.

To round out a day of enjoyment, a dance will be held in the coliseum starting at 9 p. m. and featuring Adolf and his boys. This band is known to every radio fan in the Southwest, being heard over the Texas Quality Network daily and Sunday. Adolf has promised an unusual program of dance music and the thousands of dance lovers in this section have a rare treat in store for them.

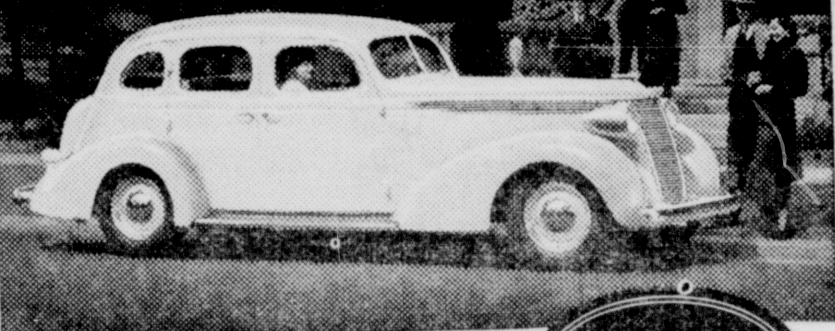

Adolf and his boys are popular as a dance orchestra because they feature the popular tunes of the day, and yesterday, and only on special request play the folk songs of their native land. A varied program has been prepared for the dance on Czech Day with waltzes, one steps and fox trots holding the spotlight.

remains to be seen if at the conference they shall be returned or sent to other fields. Whatever disposition the church body deems best, the good wishes of the Cameron Methodist Church members and of the citizens of Cameron will remain with him.

A tablespoon of lemon juice added to the egg in which fish is dipped before frying gives it a delicious flavor.

## YOEMEN TAKE SLOW ONE FROM ROSEBUD PANTHERS

### 3 TOUCHDOWNS IN SECOND QUARTER ARE ONLY SCORES

Although failing to flash the offensive of which they are capable the Yoemen edged out a 20 to 0 victory over the Rosebud Panthers here Friday night. After a second quarter scoring spree they fell back into a defensive game and twice had to throw the Panthers back from the 10 yard line.

Joe McLean, ace backfield star, was taken from the game with an injured ankle in the fourth quarter after he had made a 50 yard run. Earl Peck and Luie Turner along with Underwood gave a good account of themselves in the off tackle plays. Turner scored a touchdown as did McLean.

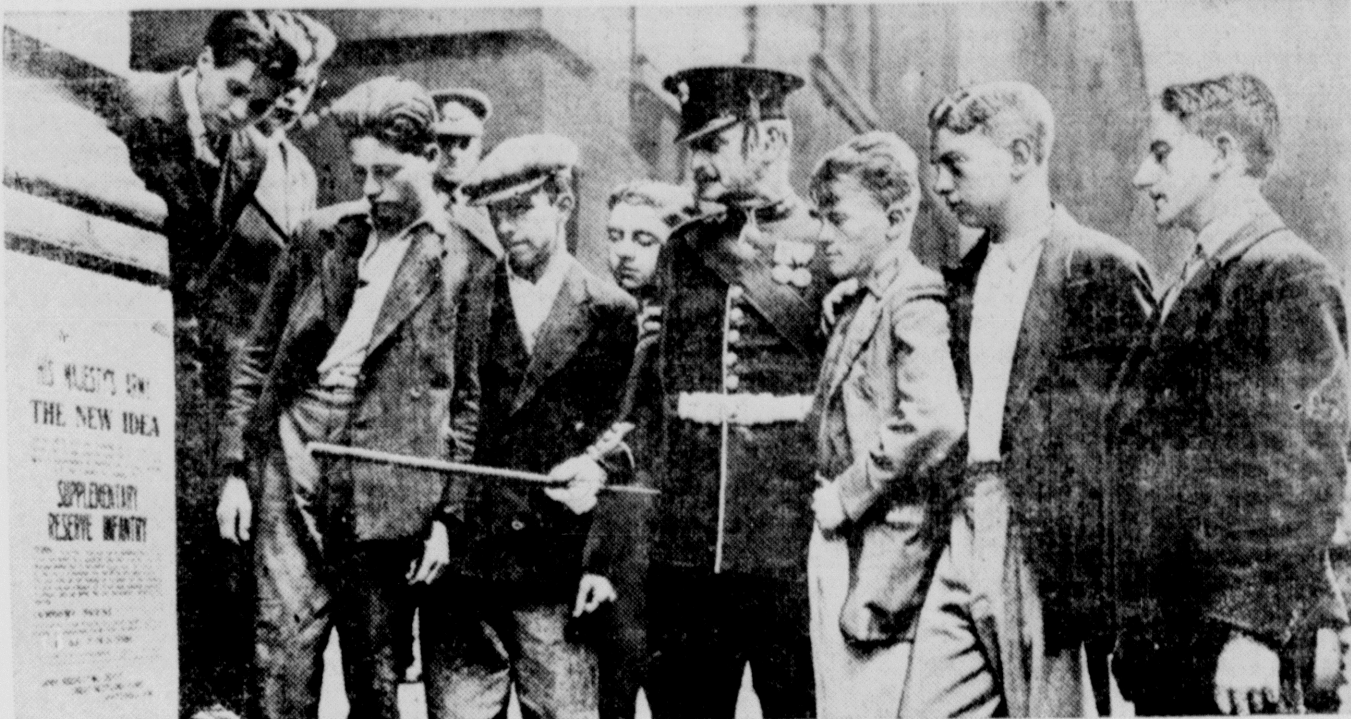

It was the Yoemen's first victory over Rosebud in many years.

Rosebud kicked off to Cameron with Wright kicking the ball deep into Cameron's territory. McLane took the kick-off on his two yard line and with the aid of effective blocking, he returned to his 28 yard line.

#### Cameron's Ball

McLane, a shifty Yoemen back, took the first pass from center and broke through right tackle for a 20 yard gain and a first down. Turner then drove through center for a 6 yard gain. On the second down, McLane failed to complete a pass to Peck after which he was stopped at

### Now Britishers Join the Army on Trial,

An army recruiting officer in London explains to some young recruits "The New Idea" of his majesty's army. The new idea is the army's supplementary reserve trial scheme. A recruit may join the supplementary reserve for six months. If he likes military life, he may join the regular army. If he does not, he may return to civilian life, but is required to come up for 14 days of training for the next five years. He is given a bounty of six pounds a year and pay while in training.

Left tackle after gaining about a yard. On the last down, with three yards to go for a first down, McLean punted the ball out of bounds on Rosebud's 19 yard line.

#### Rosebud's Ball

Olbrich, number one Rosebud back, took the first pass from center of Cameron's line but was stopped by Gerick and Guess after gaining one yard. Duplechain followed with no gain at left guard after which Wright kicked to McLane who returned to Rosebud's 44 yard line.

#### Cameron's Ball

On a fake play, Underwood lateraled to McLane, gaining 7 yards. After an incomplete pass from McLane to Underwood, McLane failed to gain at right end but Rosebud was penalized giving Cameron a first down.

With the ball on Rosebud's 30 yard line, McLane gained 3 yards on a reverse play. McLane then passed to Underwood but it was incomplete.

On the third down, Turner failed to gain at center and on the last down, a pass from McLane to Peck was incomplete.

#### Rosebud's Ball

Olbrich picked up a yard through center of the line. Then on the next play, he was hit hard at right tackle by Stewart. On the third down, Wright kicked to McLane who was forced out of bounds on Cameron's 48 yard line.

#### Cameron's Ball

On the first down McLane picked up 2 yards on a fake play followed by Olbrich losing 2 yards at center on a reverse play and on the last down, McLane quick-kicked and the ball was killed on Rosebud's 19 yard line by Poole.

#### Rosebud's Ball

Wright took the first pass from center and gained 6 yards around right end. Olbrich then tried left tackle for no gain after which Wright

ter of the line but failed to gain. Rosebud was penalized and the down went over with Wright gaining a yard at left tackle as the quarter ended.

#### SECOND QUARTER

##### Rosebud's Ball

Olbrich took the pass from center and lost a yard and in the second play he was stopped at the line of scrimmage for no gain. On the third down, Wright kicked out of bounds on his own 41 yard line.

##### Cameron's Ball

McLane hit right tackle hard, broke loose and picked up 5 yards and in the next play a pass from McLane to Peck was complete and good for 15 yards and a first down.

On the first down, Underwood took the ball, fumbled but recovered and gained about two yards. McLane then took the ball and crashed over right tackle and carried the ball down to Rosebud's 8 yard line and making a first down for Cameron. In the next play Turner went through the center of the line for a touchdown and kicking the goal for the extra point, making the score Cameron 7, Rosebud 0.

Cameron kicked off to Rosebud with Poole kicking the ball to Duplechain who received the ball on his 10 yard line and returned to his 30 yard line.

##### Rosebud's Ball

Wright attempted a forward pass but it was incomplete and another pass from Olbrich to Sebek was incomplete. Olbrich then took the ball and gained four yards around right end after which he kicked out of bounds.

##### Cameron's Ball

Followed by an incomplete pass from McLane to Peck, McLane passed to Stach who missed the ball but the pass was ruled complete by the officials because Rosebud interfered with the pass receiver. McLane then took the ball and failed to gain at

## Learn the amazing benefits of GULFPRIDE

THE WORLD'S FINEST MOTOR OIL

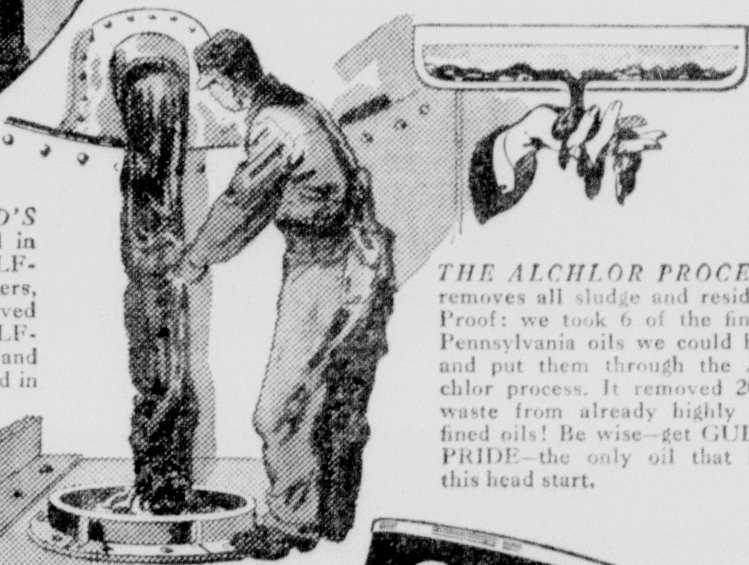

WHY is it that no other motor oil in all the world can deliver the performance of GULFPRIDE OIL?

Because only GULFPRIDE starts from the finest Pennsylvania crudes... is refined to the same point as other fine motor oils... and is then further refined by Gulf's exclusive Alchlor process!

This process is the most efficient ever developed—the fruit of 15 years' research by Gulf scientists—men who stand behind every Gulf product.

Read the facts on this page. Then drive into any Gulf dealer's—and replace your old summer-worn oil with GULFPRIDE now.

(Above)—MANY WORLD'S RECORDS on land, sea, and in the air have been set with GULFPRIDE OIL. Racing drivers, fliers, speedboat pilots swear by it. Proved in the toughest competition, GULFPRIDE will outwear, outlast, and outperform any oil you ever used in your car!

THE ALCHLOR PROCESS removes all sludge and residue. Proof: we took 6 of the finest Pennsylvania oils we could buy and put them through the Alchlor process. It removed 20% waste from already highly refined oils! Be wise—get GULFPRIDE—the only oil that has this head start.

(Left)—4 TIMES AROUND EARTH. A man drove his automobile on GULFPRIDE OIL 100,000 miles—without ever needing a repair, without ever having the head off the motor, without ever adding one drop of oil between drains. Expect great things of GULFPRIDE—you'll get them!

## Editorial

Valuable teacher time is spent each  
week in arranging interesting and at-  
tractive bulletin boards. They are not  
arranged because the board is the  
teacher's hobby or because they like  
to cut out pictures; it is because  
they are trying to aid the students  
in understanding and appreciating  
these phases of their courses which  
are not discussed in textbooks.

Our minds, from infancy, are de-  
veloped by the use of the five senses  
which were given to mankind. The  
senses of smell, touch, taste and see-  
ing aid us in acquainting our-  
selves with knowledge. Some senses  
aid more than others. The bulletin  
boards give us a chance to use the  
sense of sight in our education.  
Choice pieces of literature, discuss-  
ing topics of history, civics, geogra-  
phy, culture, and various other sub-  
jects, have been collected from cur-  
rent newspapers and periodicals, and  
it is a "sure bet" that any one who  
will read one bulletin board a day will  
leave the board better informed and  
more acquainted with world affairs  
and current news than before they  
read it.

Let us, as students going to school  
to learn, use our leisure moments in a  
profitable way—by reading the bul-  
letin boards.

tended the fair in Waco last Thurs-  
day.

## Who's Who in the Senior Class

ROBERT HOMER NABOURS, III  
Robert H. started to school in Cam-  
eron in the fourth grade and he has  
been a prominent member of his class  
since that time. When he finishes  
Yoe High School, he intends to go to  
the University of Texas to study en-  
gineering.

His favorite indoor hobbies are  
reading mystery stories and listening  
to short wave radios. His outdoor  
hobbies are riding motorcycles and  
steers. For pastime he rides bac-  
chos. His favorite flower is the bac-  
chier button. He prefers blondes, brun-  
ettes and red heads. Bob H. is a  
member of the Press Club.

## JOE McLEAN

Joe came all the way from Cle-  
burne to start to Ada Henderson  
school in the second grade. He has  
always been a leader in sports and is  
captain of the Yoemen squad this  
year. Football seems to be his favorite  
sport.

He has always taken an interest in  
his school work, but he likes Physical  
Education more than any other sub-  
ject.

white, although his best girls have  
black hair (with the exception of  
Alice Faye, his favorite movie ac-  
tress.)

When he gets his high school di-  
ploma, he will try his hand at col-  
lege football. He plans to study civil  
engineering.

## Spanish Club For Yoe High Chooses Name This Week

The feature of Tuesday's Spanish  
Club meeting was the naming of the  
club. Several names were suggested,  
but by an overwhelming majority the  
name Los Viajeros Espanoles was se-  
lected. When translated it means The  
Spanish Travelers. This name was  
chosen because the object of the year  
is to send some of the members to  
Mexico.

The program was turned over to  
Myrtle Stidham, the group captain  
of group 1. Rex Lowe gave a talk on  
Columbus. With Window Courtship  
and Marriage Bargains as her topic,  
Iva Earl Heath rendered a talk.

Miss Ethel Skelton attended the S.  
M. U.-Texas game last Saturday in  
Austin.

## Library Scores In New Book Showings

Last week the library bulletin  
board exhibited scenes, including A  
Midsummer Night's Dream and Ro-  
meo and Juliet.

This week there will be an exhibit  
on Navy Day, composed of pictures  
from the interior of the Queen Mary,  
by McDonald Gill, Kenneth Shoe-  
smith, C. Cameron Bailie, Bertram  
Nicholls, Algernon Newton and Geo.  
Ramón. There is an article on Old

## Cameron Entertains Teachers of County

Cameron teachers were hosts to one  
hundred teachers of Milam County for  
the organization meeting of the Mil-  
am County Teachers Association in  
the cafeteria of the Ada Henderson  
school Monday night, October 26.

E. A. Perrin, retiring chairman pre-  
sided.  
Directors for the year's interscho-

lastic league work in Milam county  
were elected. Noel Wood, superin-  
tendent of the San Gabriel school,  
acting as chairman.

Superintendent Jesse E. Cox,  
Thorndale, as the new chairman of  
the association.

The program for the evening con-  
sisted of a discussion of teacher re-  
tirement by W. C. Weise; a cornet  
quartet, Martha Frances Brogdon,  
Kathleen Perrin, Lucille Stedman,  
and Viola Thomas and choral selec-  
tions by seventh grade pupils, direct-  
ed by Emma Pearl Clement.

The meal was served by the girls  
of the home economic department, su-  
pervised by Misses Mary Sue Har-  
dage and Dorothy Langdon. Flowers on  
the table were furnished by the Glass  
Floral Company.

## Acree Cheers The Yoemen at Rally

dent body at the Cameron-Rosebud  
pep rally on Thursday afternoon.

W. C. Weise, principal, and Luther  
Poole, Captain of Friday's game,  
spoke briefly and the band played  
several numbers.

## Ten Make Typing Honor Roll Here

Ten students from four typing  
classes have received special recogni-  
tion for their scores on the first speed  
test of the year. They are: Martha  
Reka, 18.40; Dorothy Gohmert, 16.66;  
Stone Garner, 14.13; Harold Heath,  
13.27; Virginia Humble, 11.46; Ralph  
Mayfield, 11.76; Effie Blanche Law-  
son, 11.00; James Brogdon, 10.46;  
Jack Blankenship, 10.33; Margaret  
Moore, 10.00.

Each week the names of the pupils  
making the most words per minute  
will be placed on the honor roll, ac-  
cording to Mrs. E. L. Ross, instruc-  
tor.

## A COLD caused this!

"Colds" are dangerous! Leading doctors tell us that fifty per cent of all disabling  
diseases START with a "common cold." Thus the cold germ becomes America's  
Public Health Enemy Number One.

Any sudden change in temperature as you go from a warm room into a cold one  
disturbs the heat-regulating apparatus of the body and makes it susceptible to  
cold germ attacks. Even the brief time that it takes to answer the telephone in an  
unheated hall is sufficient. Fight against "colds." They create a condition of  
depressed physical vitality which is favorable to infection and aid the progress  
of serious organic diseases that frequently result in death.

If your home is inadequately heated . . . if you "huddle" in one room during  
winter, sudden temperature changes are unavoidable. Your family goes from an  
over-heated room where the temperature has climbed as much as ten degrees  
past the point necessary for comfort, into a cold hall or adjoining room; then  
shivering and chilled, they return to the heated room. This happens many times  
a day. Each time it happens they have made themselves susceptible to highly  
communicable winter diseases.

Fight colds this winter with proper ventilation and adequate heat in every room  
in the home.

... Lone Star Gas System

The common cold germ  
shows no favor. Invisible  
but dangerous, this Num-  
ber One Enemy of Public  
Health skulks like a ban-  
dit of the night ready to  
rob you of good health.

## At The THEATER In Cameron

By C. W. GJEDDE

### "THE ROAD TO GLORY"

A dramatic star-shell is promised in "The Road to Glory," Twentieth Century Fox production coming to the Cameron Theatre Friday and Saturday, November 6 and 7. Featuring the year's most impressive cast, the film is hailed as the strongest drama of love ever brought to the screen.

Fredric March, Warner Baxter and Lionel Barrymore are starred with the supporting cast headed by June Lang.

Fired with the inspired acting of such performers, the film tells a gripping story of love in all its phases, painted on a canvas as great and encompassing as the war itself.

What glory does the hearts of men and love to the hearts of women is revealed as the film moves swiftly, strongly, on to its crowning climax.

...

### "LADIES IN LOVE"

With the most exciting and brilliant star combination ever to appear in one picture, "Ladies in Love," new Twentieth Century Fox production, coming to the Cameron Theatre Sunday and Monday November 8 and 9, a bitter sweet romance of four lonesome, lovely girls, and their adventures in search of love.

A quartette of Hollywood's most famous feminine personalities, Janet Gaynor, Loretta Young, Constance Bennett and Simone Simon, appear in the film, with the cast featuring Don Ameche, Paul Lukas, Tyrone Power and Allen Mowbray.

Of the four lovely ladies, one gambles for love and loses, one gambles and wins, one asks for love and gets it, love asks for the fourth—too late.

### "THE BIG GAME"

Unique in the annals of football pictures, RKO Radio's "The Big Game" brings to the screen nine of the outstanding pigskin stars in the country and an equal number of prominent film players.

Comprising the college football squad with which the picture deals are such gridiron heroes as Bobby Wilson of Southern Methodist, William Shakespeare of Notre Dame, Jay Berwanger of Chicago U., Gomer Jones of the Ohio State, "King Kong" Klein of New York U., "Chuck" Bennis of Illinois, and Monk Moscrip, "Bones" Hamilton and Frank Alustiza of Stanford.

George Nicholls, Jr., directed "The Big Game," a supporting cast including C. Henry Gordon, Guinn Williams and Barbara Pepper. The original story is by Francis Wallace, with screen play by Irwin Shaw.

### "MURDER WITH PICTURES"

The solution of a baffling murder committed directly in front of forty horrified witnesses who see the victim fall dead at their feet but catch no sight of the murderer or his weapon is the basis of "Murder With Pictures," coming to the Cameron Theatre Tuesday November 10, with Lew Ayres and Gail Patrick in the leading roles.

In an entirely new treatment of this type of picture, the identity of the slayer is ultimately revealed in a whirlwind finish by a photograph which was taken just as the crime was committed. A mere wisp of smoke in the photograph betrays the plotter and breaks a "perfect crime."

### "THE FUGITIVE SHERIFF"

A gripping romance in the Old West in "The Fugitive Sheriff" comes to the Milam Theatre Friday and Saturday November 6 and 7.

### "THREE MARRIED MEN"

Bringing the talents of three of its surest-fire laugh-getters to the front

for the first time, Paramount has produced a fast-moving, gag-studded farce in the film "Three Married Men," coming to the Cameron Theatre Thursday November 5.

Lynne Overman, William Frawley and Roscoe Karns, three tried and proven comics, have top roles in the picture. Mary Brian, as skilled an actress as she is good to look at, has the feminine lead, as Karns' bride. Supporting the four is a cast headed by George Barbier, set of the film grumpy oldsters, and Majorie Gerson, as Overman's wife.

## News From Walker's Creek

More than fifty people attended a Halloween party Friday night at the school, given by the pupils and the teachers. After playing a number of games, refreshments consisting of punchard cookies and small jack o' lanterns filled with black and orange candy were served by Helen Ruth Hightower, Edith Schlemmer, Lionel Senkel and Ruby Lee Barkemeyer.

Rev. Price was called as pastor of the Walker's Creek Church.

Buster Whitley of Cameron spent the week-end at his grandmother's, Mrs. M. M. Whitley.

Miss Verdie Lee Frazier spent the

week end at the Texas Centennial.

Mr. and Mrs. Starrett Hickman of Cameron spent Sunday with Mr. and Mrs. C. M. Hightower.

Mr. and Mrs. Marvin Johns spent Sunday with Mr. and Mrs. J. M. Sanders.

Miss Helen Ruth Hightower was out of school four days last week due to illness.

Mr. and Mrs. L. A. Johns spent Sunday with Mr. and Mrs. H. B. Hairston.

Mr. and Mrs. Walter Senkel were

was seriously injured.

Mr. and Mrs. Henry Backemeyer visited Mr. and Mrs. Walter Sitz on Sunday.

Mr. and Mrs. Walter Senkel had as Sunday guests: Mr. and Mrs. Tom Marka and Mr. and Mrs. John Stombers.

## Temple in Iraq Four Thousand Years Old

This unusually well preserved temple of sun-dried bricks, of the age of Abraham, 2100-1900 B.C., was discovered by the Iraq expedition of the Oriental institute, University of Chicago, at Ischali, site of an ancient Babylonian city northeast of Bagdad. The recessed niches on either side of the doorway leading into the sanctuary are ornamented. The brick seat in the sanctuary, rear, was for the cult statue.

### Following the Team Around

The lucky Yoemen broke a fifteen year jinx Friday night to beat the Rosebud Panthers by a score of 20 to 0.

The three touchdowns were made in the second quarter, and extra points were kicked by Turner. In the last half the Yoemen suffered an acute attack of "let down," and Rosebud crossed the ten yard stripe twice.  
Earl McAtee and "Frenchy" Duplechain played outstandingly for the Panthers.

Two games are scheduled this week, the Yoemen against the Rockdale Tigers and the B Squad vs. the Bryan Colts.

The very busy Yoelets go to Bryan this week to play the Bronchos on their home field. This potential winning combination is already ready to battle anybody, anywhere, and at any time, although they have lost two good men in Stach and Nabours.

Coach and Ruggles has worked them into good shape, and the boys really like to play football.

The strength of the Bryan team is not known very well, but they may be expected to give the Yoelets a real battle.

The kickoff will be promptly at 7:30 Thursday, November 5.

### Germany Buys Autumn Leaves

Fallen autumn leaves have a commercial value, after all. Bacchus Marsh, a town in the Australian state of Victoria, which hitherto has carefully swept, stacked and burnt them, has discovered this, and is exporting them to Germany. It appears the leaves, mainly elm and apricot, are to be used in the manufacture of a certain chemical in Germany.

right tackle after which he completed a pass to Underwood which was good for a first down.

Another pass from McLean to Peck was complete and good for another first down and with the ball on the 8 yard line, Peck lateraled to McLean who ran across the goal for a touchdown. Turner failed to kick goal for the extra point making the score 13 to 0 in Cameron's favor.

Cameron kicked off to Rosebud with Turner kicking the ball to Olbrich who took the ball on his 20 yard line and returned to his 30 yard line.

### Rosebud's Ball

On the first down, Wright attempted a pass to Sebek but it was intercepted by McLane who ran 45 yards for a touchdown and the extra point was good making the score 20 to 0 in Cameron's favor.

Cameron kicked off to Rosebud with Poole kicking the ball to Wright who took the ball on his own goal line and returned to his 15 yard line.

### Rosebud's Ball

Followed by Duplechain gaining a yard at center, Olbrich failed to gain at right tackle. On the third down Wright quick-kicked and the ball was killed by Rosebud on Cameron's 38 yard line.

### Cameron's Ball

McLean took the pass from center and crashed through right tackle for a 12 yard gain and a first down after which he made another first down on a lateral from Peck.

With the ball on Rosebud's 4 yard line, Turner failed to gain at center as the first half of the game ended.

### SECOND HALF

Cameron kicked off to Rosebud with Poole kicking the ball to Wright who received the ball on 20 yard line and returned to his 30 yard line.

### Rosebud's Ball

After an incomplete pass from Wright to Sebek and Olbrich failing to gain at center, a pass from Wright to Sebek was complete and good for 20 yards and a first down.

Following another complete pass from Wright to Sebek, McLean intercepted a pass tossed by Wright on his

own goal line and returned to his 10 yard line.

### Cameron's Ball

McLean picked up 4 yards over right tackle followed by Peck taking the ball for no gain. McLean then lost a yard at right tackle after which his punt was blocked and Rosebud got the ball on Cameron's 10 yard line.

### Rosebud's Ball

Olbrich, eager for a touchdown, picked up a yard through the center of the line. Following the next play, which was an incomplete pass from Wright to Duplechain, Olbrich gained another yard at center and on the last down Wright attempted another pass to Duplechain which was incomplete, giving Cameron the ball on their own 8 yard line.

### Cameron's Ball

McLean kicked out of danger with Wright taking the punt on Cameron's 45 yard line.

### Rosebud's Ball

After an incomplete pass from Wright to McAttee, Olbrich picked up 9 yards at left tackle on a reverse play. Duplechain then crashed thru center for a first down.

On the first down Poole broke thru the line and threw Wright for a 4 yard loss. In the next play Heath, Yoemen center, intercepted a pass on his 28 yard line and was downed in his tracks.

### Cameron's Ball

McLean heaved a long pass to Peck which was complete and good for 40 yards but Cameron was off sides and the play was called back. McLean then took the ball and failed to gain at center. In the next play McLean again took the ball and lost 7 yards on a fake play. On the third down, McLean kicked to Wright who returned to his own 42 yard line.

### Rosebud's Ball

After Olbrich had gained 7 yards on a reverse play, a complete pass from Wright to McClendon was good for a first down. Olbrich then failed to gain at left tackle.

On the second down, a pass from Wright to McClendon was complete and good for a first down. Olbrich was then tackled behind the line of scrimmage by Guess for a 3 yard loss. In the next play McLean intercepted

a pass on his 30 yard line and returned to his 50 yard line as the third quarter ended.

### FOURTH QUARTER

#### Cameron's Ball

Underwood lost 2 yards as he attempted to circle right end. Underwood again took the ball and again lost 2 yards on a reverse play. McLean then failed to complete a pass to Underwood after which he kicked to Wright who took the ball on his 22 yard line and returned to his 30 yard line.

#### Rosebud's Ball

Rosebud lost 7 yards on a lateral from Olbrich back to Wright. Olbrich then failed to gain at center after which Wright kicked out of bounds on Cameron's 48 yard line.

#### Cameron's Ball

A pass from McLean to Turner was complete and good for 4 yards. Tur-

ner then took the ball and failed to gain at center after which McLean crashed over right tackle for a 7 yard gain and Rosebud was penalized 15 yards for roughing. McLean then tossed a pass to Turner which was complete and good for 6 yards and in the next play, Olbrich intercepted a lateral pass from Peck to McLean and was tackled on his 22 yard line.

#### Rosebud's Ball

The Rosebud eleven, knowing that their only chance to score depended on an effective aerial attack, tried 3 passes, the first two incomplete and the third complete and good for a first down. Olbrich then broke thru the line and ran 30 yards for another first down. Duplechain then took the ball and failed to gain after which another pass from Wright to McClendon was complete and good for 30

## For Bad Feeling

### • Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of Lafa, Ark., writes: "My husband and I both take Theodor's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."
